LAST OBSTACLE

To the Primary Election Removed—Now for the Home Stretch.

Circuit Judge John M. Galloway, at Bowling Green Saturday, refused to grant an injunction to restrain the Democratic Executive Committee from holding the primaries to nominate candidates for State offices, and also a candidate for United States Senator. Judge Galloway, in his opinion, which was rendered immediately after the close of argument by the attorneys, held that the abrogation of the rule requiring voters in the primary to disclose how they had voted in the Congressional race removed the only objection which could have been raised to the primary, and that the other grounds on which the Republican attorneys, representing the plaintiff, relied in their suit, are unavailing.

No further action to prevent the holding of the primary on November 6 can be taken.

"DOLLAR WHEAT."

"How Easy it Would Have Been to Get It."

Usually the Biggest crops are raised before harvest. Don't get panicky now about your crops. The past season was another illustration that the world will take all you raise. Corn went to the minimum; potatoes, ditto; oats, above; wheat nearly there. Oh, how easy it would have been to get \$1 a bushel for all the wheat and the minimum prices for all the corn and oats and barley and potatoes and cotton, if even one-tenth of the farmers would have taken the advice of this paper. You see it now, don't you?—Up-to-Date Farming.

We will give every farmer in Christian county a chance to join the up-to-date farmers, but we are not going to call him out of his house nor corner him on the street to get him to join. We trust to a man's manhood and honor in organizing him to his own interest.

MAMMOTH DEAL

Brasher Coal and Mining Co.
Sells Another Mine.

One of the largest mining deals which has taken place in Western Kentucky for many years was consummated Friday, when the Royal Coal Mines, owned by the Brasher Coal & Mining Co., of Hopkins county, was transferred to the Chesley Mining Co. The consideration was \$175,000. This company also owned the Oak Hill mine, near Nortonville, but disposed of it last July to the Chesley Co. The price paid for the Oak Hill property was \$60,000. The new company will place electric haulage in both their mines at once, and otherwise enlarge the plants.

Guaranteed by Hopkinsville testimony.

C. B. Eades, of the firm of Eades & Davis, proprietors of the coal yard on Seventh street and the L. & N. R. R., and who lives at 402 East Seventh street, says: "I saw Doan's Kidney pills advertised and so highly recommended by persons who had used them that I procured a box and gave them a thorough trial. I had suffered for a long time with a heavy pain across the small of my back, sharp and acute at times. When I caught cold it always settled in my back and there followed a weakness of the kidneys which was exasperating especially at night. I tried various remedies but none of them gave the satisfactory results that I obtained from the use of Doan's Kidney pills. I am pleased to say that they brought me great relief. I have recommended Doan's Kidney pills and will continue to do so to all my friends and acquaintances."

A SUFFERER FROM PILES

N. S. Wilbur, Secretary Louisville Base Ball Club, After
Ten Years Suffering, Is
Cured by Paracamp.

HAD TRIED MANY REMEDIES

N. S. Wilbur, the popular Secretary of the Louisville Base Ball Club, says:

"I was a sufferer from Chronic Piles for a period of ten years or more, and while I used practically all of the known remedies, I received nothing but temporary relief. One night while traveling my suffering became so intense that in desperation I used Paracamp it being the only preparation that I had with me. I did not think for a moment that I would get relief, but in my condition was willing to try anything. Much to my surprise after the first application my suffering became less, I was able to go to sleep and when I awoke in the morning my pain was all gone. I applied Paracamp two or three times afterwards, not because I experienced any suffering but I feared a return of the pain.

I am glad to state, however, that the trouble has entirely disappeared and I believe myself, for the first time in over ten years cured.

I regard the effect of Paracamp in my case as simply wonderful and would not have believed it possible for a remedy to do what it has done had it not been for my actual experience with the preparation."

Paracamp positively does not contain anything that will injure the most delicate skin. It is a clean, safe, cooling, soothing, application that every one can use every day with pleasing and satisfactory results.

A trial will convince you. So get a bottle of Paracamp to-day from your druggist. We guarantee every bottle to give satisfaction. If it fails to do what we claim, go back to your druggist, the man you know, and get your money.

Sold only in 25c, 50c and \$1.00 bottles.—The Paracamp Company, Louisville, Ky., U. S. A.
